

**THANK YOU** for participating in our  
**EAL Professional Learning Day**

**November 21, 2017**

[eal.inquiries@usask.ca](mailto:eal.inquiries@usask.ca)

**Presenter: Dr. Kate Kinsella**

Dr. Kinsella is a distinguished author, professor, and passionate advocate for the academic needs of English language learners in schools. Her presentations are filled with practical examples of language challenges in the classroom and ways to overcome these challenges.

**Sponsors:** Saskatchewan Teachers of English as an Additional Language (SK TEAL) and the College of Education, University of Saskatchewan

**Access for Staff Professional Learning Needs:** Dr. Kinsella's webinars and resource documents are protected by copyright. Saskatchewan educators have permission to utilize these items as required for professional learning. The items cannot be distributed or shared with the public in any form (as, for example, posting or links on publicly accessible websites).

**Links:** To avoid issues with browser access to WebEx, it is best to use *Google Chrome*. Note that recording passwords are *case sensitive*.

**Session 1: Instructional Tools to Promote Scholarly Interaction and Collaboration Across Subject Areas and Grades**

[Play recording](#) (1 hr 37 min) (Presentation begins at 6:15 min)
